**About Industry**

The textile industry employs capital-intensive technology for mass production, encompassing spinning, weaving, processing, and apparel. It focuses on designing, producing, and distributing yarn and clothing from natural or synthetic materials. In India, it is the second-largest employment sector, providing direct jobs to over 35 million people.

## About Us

1. About UP MSME-1 Connect
2. About RAMP

### About UP MSME-1 Connect

- This page has information about this portal, how it works and the objectives. User can read them by scrolling down this page.

## About RAMP

The screenshot shows a web browser window with the URL <https://msme1connect.up.gov.in/Home/AboutRAMP>. The header features the MSME 1-CONNECT logo for Uttar Pradesh and several partner logos including the Government of India, the Ministry of Micro, Small and Medium Enterprises, and the World Bank. The main content area has a dark brown background with the word "RAMP" in large white letters, followed by a breadcrumb trail "Home > RAMP". Below this is a large image of a factory interior with workers. To the right of the image, the text reads "OVERVIEW" in orange, followed by "RAMP Programme" in bold black. A paragraph of text describes the programme as a World Bank-supported initiative to enhance MSMEs in India. A chatbot widget is visible in the bottom right corner, displaying "We're offline" and "Leave a message".

- This page includes content like overview of this programme, objectives and the information about nodal agency i.e. UPSIC.
- After that user can read short descriptions about all 10 interventions of RAMP. Clicking on read more will take them to separate page of that intervention.

# RAMP

- This section includes separate page for all interventions of RAMP.

## ZED Certification

- This page includes detailed information about this intervention like objective, how it works, parameters, benefits and advantages.
- User can scroll down to upcoming workshops section through which they can register for upcoming events.

## Capacity Building

The screenshot shows a web browser window with the URL <https://msme1connect.up.gov.in/capacity-building>. The page has a dark brown header with the title "Capacity Building" and a breadcrumb trail "Home > Capacity Building". The main content area features a large heading: "Strengthening and Capacity building of various agencies of the Department of MSME & EP, GoUP". Below the heading is a paragraph: "The need has been identified for an effective training program that supports and develops the overall acumen of the working staff of the government entities." To the right of the text is a photograph of a man in a white shirt presenting to a group of people seated at desks in a classroom. A chat bubble in the bottom right corner of the image says "We're offline Leave a message".

- This page includes detailed information about this intervention like objective, how it works, benefits and impact.
- User can scroll down to upcoming workshops section through which they can register for upcoming events.

## ESG Awareness

The screenshot shows a web browser window with the URL <https://msme1connect.up.gov.in/esg-awareness>. The page has a dark brown header with the title "ESG Awareness" and a breadcrumb trail "Home > ESG Awareness". The main content area features a large heading: "Support for Awareness and Strengthening of Environmental Social Governance". Below the heading is a section titled "What is ESG?" with two bullet points: "E – Environmental – Focus on the impact of business on the environment" and "S – Social – Focus on business relationships with employees, suppliers, customers & communities". To the right of the text is a photograph of a lush green forest with the letters "ESG" overlaid in white. Below "ESG" are the words "ENVIRONMENTAL", "SOCIAL", and "GOVERNANCE" in smaller white text. A chat bubble in the bottom right corner of the image says "We're offline Leave a message".

- This page includes detailed information about this intervention like objective, how it works, benefits and impact.
- User can scroll down to upcoming workshops section through which they can register for upcoming events.

## PLEDGE

The screenshot shows a web browser window with the URL <https://msme1connect.up.gov.in/pledge-support>. The page has a dark brown header with the title "PLEDGE Support" and a breadcrumb trail "Home > PLEDGE Support". Below the header, the main content area features the title "PLEDGE (Promoting Leadership and Enterprise for Development of Growth Engines)" in bold. To the right of the title is a photograph of a modern, multi-story industrial building with a green lawn in front. Below the title, there is a paragraph of text describing the intervention's goals: "This intervention aims to promote the establishment of private MSME Parks that boost the state's industrialization, support economic progress, and facilitate job creation by providing easy finance to the promoter for setting up private industrial parks. The growth of MSMEs within the PLEDGE Parks shall contribute to inclusive economic growth in the region creating employment opportunities and stimulating overall economic development of the state."

- This page includes detailed information about this intervention like objective, how it works, benefits and impact.
- Scrolling down user can see details of various pledge parks like Location, Investor Name, Facilitator Contact and plot information.

## Technical Upgradation Support

The screenshot shows a web browser window with the URL <https://msme1connect.up.gov.in/technical-upgradation-support>. The page has a dark brown header with the title "Technical Upgradation support to MSMEs" and a breadcrumb trail "Home > Technical Upgradation support to MSMEs". Below the header, the main content area features the title "Technical Upgradation support to MSMEs" in bold. To the right of the title is a photograph of a man in a white hard hat and a high-visibility yellow safety vest standing in a modern industrial factory setting with various machines. Below the title, there is a paragraph of text describing the intervention: "The lack of modern machinery and technologies impacts product efficiency and productivity. This intervention is designed to address the challenges faced by the MSMEs in the state of Uttar Pradesh including superseded technology, limited access to modern machinery, financial constraints, etc. TUS offers financial benefits to upgrade the units with state-of-the-art technology."

- This page includes detailed information about this intervention like objective, how it works, benefits and impact.

## UP MSME-1 Connect

The screenshot shows the homepage of the UP MSME 1-CONNECT Portal. The browser address bar displays <https://msme1connect.up.gov.in/up-msme-1-connect>. The main header features the title "UP MSME 1-CONNECT" in white text on a dark brown background, with a breadcrumb trail "Home > UP MSME 1-CONNECT". Below the header, the main content area has a title "Strengthening Monitoring & Evaluation Ecosystem through UP MSME 1-CONNECT Portal". The text below explains the government's commitment to strengthening the Monitoring and Evaluation (M&E) ecosystem. To the right, there is a collage of images showing people in various professional settings, including a person holding a trophy and others working on laptops. A "We're offline" notification is visible in the bottom right corner of the page.

### Strengthening Monitoring & Evaluation Ecosystem through UP MSME 1-CONNECT Portal

The Government of Uttar Pradesh is committed to strengthening the Monitoring and Evaluation (M&E) ecosystem, one of the key focus areas in the RAMP. The RAMP Programme aims to enhance data-driven reporting mechanisms to monitor & track the interventions to achieve the outlined targets. This initiative will improve the effectiveness of schemes and policies, ensure accountability, and enable evidence-based decision-making to support the growth and development of MSMEs in the state. The UP MSME 1-CONNECT Portal is a unified platform for MSMEs to act as a digital one-stop solution for MSMEs in Uttar Pradesh.

- This page includes detailed information about this intervention like objective, benefits and impact.

## Enhancement of Exports

The screenshot shows the "Enhancement of Exports" page on the UP MSME 1-CONNECT Portal. The browser address bar displays <https://msme1connect.up.gov.in/enhancement-of-exports>. The main header features the title "Enhancement of Exports" in white text on a dark brown background, with a breadcrumb trail "Home > Enhancement of Exports". Below the header, the main content area has a title "Enhancement of Exports in MSMEs". The text below explains the challenges MSMEs face in identifying appropriate markets and the intervention's goal to organize reverse buyer-seller meets. To the right, there is a photograph of a man in a suit examining a shawl. In the background, a banner for "KANI SHAWL" is visible, along with text about "National and Time-Sensitive Craftsmen" and "Shawls are handwoven using".

### Enhancement of Exports in MSMEs

Both national and international markets demand products and services that meet specific safety and quality standards. MSMEs often struggle to identify the appropriate markets for their offerings. Through this intervention reverse buyer-seller meets are being organized to augment the capacity of existing MSMEs to become exporters and thereby increase the share of exports from Uttar Pradesh. During these reverse B2B workshops, importers participate and share their requirements, exporters showcase their products/services and matchmaking take place for effective collaboration.

- This page includes detailed information about this intervention like objective, how it works, benefits and impact.

## Vishwakarma Artisan Connect

The screenshot shows the homepage of the Vishwakarma Artisan Connect portal. The URL is <https://msme1connect.up.gov.in/vishwakarma-artisan-connect>. The page features a dark brown header with the title "Vishwakarma Artisan Connect" and a breadcrumb trail "Home > Vishwakarma Artisan Connect". Below the header, there is a main heading "Vishwakarma Artisan Connect – Empowering Artisans" followed by a paragraph describing the project's goal to empower artisans through enhanced market access. To the right of the text is a photograph of an elderly man in a white shirt and a colorful turban, working with a large clay pot on a pottery wheel. A "We're offline" notification box is visible in the bottom right corner of the image area.

- This page includes detailed information about this intervention like objective, how it works, benefits and impact.
- User can scroll down to upcoming workshops section through which they can register for upcoming events.

## MBA Program/Short Term Courses

The screenshot shows the page for the MBA Program/Short Term Courses. The URL is <https://msme1connect.up.gov.in/mba-programme>. The page features a dark brown header with the title "MBA Program/ Short Term Courses" and a breadcrumb trail "Home > MBA Program/ Short Term Courses". Below the header, there is a main heading "Financial support for MBA in Entrepreneurship, Innovation, and venture development for Guest lecture, exposure visits, exchange programs" followed by a paragraph describing the project's goal to provide unified training and certification for entrepreneurs. To the right of the text is a photograph of a group of people in business attire, including men in suits and women in professional clothing, standing outdoors and looking at documents. A "We're offline" notification box is visible in the bottom right corner of the image area.

- This page includes detailed information about this intervention like objective, how it works, benefits and impact.

**ABOUT**

## Financial Assistance Scheme for One District One Product (ODOP Margin Money Scheme)

The objective of the scheme is to benefit artisans/workers/entrepreneurs through financial incentives for the overall development of selected products under One District One Product (ODOP). Under the scheme, the facility of assistance in financing in industry, service and business sector will be available only to the projects/units of ODOP product identified for the concerned district.

### Objective

- ➔ For units with total project cost above Rs. 25.00 lakh and up to Rs. 50.00 lakh, an amount of Rs. 6.25 lakh or 20% of the project cost, whichever is higher, shall be payable as margin money.
- ➔ For units with total project cost above Rs. 50.00 lakh and up to Rs. 150.00 lakh, an amount of Rs. 10.00 lakh or 10% of the project cost, whichever is higher, shall be payable as margin money.
- ➔ For units with total project cost exceeding Rs. 150.00 lakh, an amount of Rs. 20.00 lakh, subject to a maximum of Rs. 20.00 lakh, whichever is higher, shall be payable as margin money.
